

## BRENTWOOD ROAD, N.E.

### TRANSPORTATION STUDY

## PURPOSE

The *Brentwood Road, N.E., Transportation Study's* kickoff meeting will be held on **December 9, 2003** between **6:00-8:30 p.m.** at:

**Isle of Patmos Baptist Church**  
1216 Saratoga Avenue, N.E.  
Washington, DC 20018

The *Brentwood Road Transportation Study* is underway in response to citizen concerns regarding speeding, safety and parking issues in the area. The purpose of this study is to investigate these concerns and identify appropriate solutions.

The study includes the following tasks:

- Investigate concerns on traffic and pedestrian safety.
- Assess transit needs.
- Assess bicycle and pedestrian transportation needs.
- Assess the existing and future traffic conditions.
- Estimate the effects of additional traffic generated from new developments on the residential streets.
- Determine the short-term and long-term improvement needs to reduce traffic congestion, especially during rush hours.

Some specific goals of the study are:

- Promote pedestrian safety.
- Determine the feasibility of providing transit service to the Brentwood Shopping Center complex.
- Improve bicycle routes.
- Minimize negative effects of truck traffic on residential neighborhoods.
- Reduce traffic congestion at key intersections.

Citizens are encouraged to attend the kickoff meeting, ask questions and offer suggestions to ensure that your needs are addressed. Two other projects will also be discussed -- 1) Reconstruction of 9<sup>th</sup> Street Bridge, and 2) Mt. Olivet Road Streetlight Series Circuit Conversion.
